

The Bamboo Suite is sure to impress inside and out, it is very unique as it is the only suite that has it's own large private deck with two sun loungers perfect for relaxing or the patio table, chairs and umbrella from which you have a gulf view and only steps from the beach. The spacious private bedroom features a king size bed perfect for getting a good nights rest. The kitchen and dinning area are perfect for a beach style meal. The living area rounds out the interior of this lovely suite.
